Dear Asterio,

Re: PACIFIC ADAPTATION TO CLIMATE CHANGE FULL SIZED PROJECT

On behalf of the Government of Niue, and, in my capacity as GEF Operational Focal Point, the Government of Niue wishes to pledge **USD 101.799 thousand** as co-financing support for the PACC project. The development activities in the water resource management sector the government will use as parallel co-financing to build resilience to climate change under the PACC are:

- Cyclone Recovery Project
- Office Space

We look forward to the GEF's approval of this most important project to support our climate change adaptation effort at the national and community level.

Sincerely,

Mr Sauni Tongatule
