TO: SPREP National Focal Points
Climate Change Focal Points

DATE: 23 September 2019

CIRCULAR: 19/69

SUBJECT: Accepting nominations for the training on “**Hazard and Risk Assessment for Coastal Area Management**” by CBCRP-PCCC, 11-15 November 2019, Pacific Climate Change Centre, SPREP, Apia, Samoa.

Dear focal points,

Further to SPREP Circular 19/64 and 19/65 on 12 September, I am pleased to announce that nominations are now being accepted for the first regional training “Hazard and Risk Assessment for Coastal Area Management by Using Remote Sensing Technology” prepared through the Project for Capacity Building on Climate Resilience in the Pacific (CBCRP-PCCC) in partnership with JICA and the Government of Samoa on 11-15 November at the Pacific Climate Change Centre (PCCC) in Apia, Samoa.

JICA will fund two trainees from each Pacific Island Country who oversee coastal planning and management, community development management and climate service. Nominations of two trainees should be submitted using the Nomination Form attached to the General Information of the training. Nominees are required to do preparatory work before the training as explained in the General Information.

Territories are welcome to participate at their own cost.

All nominations must be completed and sent **from Climate Change Focal Points** to the project team of CBCRP-PCCC at cbrp.pccc@gmail.com, at your earliest convenience but no later than **4th of October 2019** (Friday).

Yours sincerely,

Roger Cornforth,
Acting Director General, SPREP
