**DATE:** 26 July 2024

**CC:** SPREP National Focal Points

**CIRCULAR:** 24/51

**SUBJECT:** **Call for nominations: Pacific Climate Change Centre virtual training on “Climate change impacts and innovative solutions in the Pacific” 2 September - 30 September 2024**

Dear Focal Points,

I am pleased to inform you that nominations are being accepted for the Pacific Climate Change Centre (PCCC) regional training on “Climate change impacts and innovative solutions in the Pacific”. This training is going to be implemented virtually as part of the Project for Innovative Solutions for the Pacific Climate Change Resilience (ISPCCR). The training will be held from 2-30 September 2024 through the PCCC e-learning platform.

This training program aims to:

- Strengthen participants’ knowledge of observed and projected climate change, climate risk and vulnerability on key sectors of the Pacific (disaster risk reduction, ecosystem, food production systems, water, tourism, and health)
- Enhance understanding of adaptation and, where applicable, mitigation options for each sector including innovative climate change solutions and approaches
- Enhance understanding the importance and skills to prepare problem trees and logical frameworks for concept note development and accessing financial resources.

In light of the above, I have the pleasure of inviting you to nominate a maximum of ten **(10) participants** from your country.

Considering the important role of the private sector in delivering innovative climate solutions and that this training will be highly useful for the private sectors, it is requested that the nomination includes at least five **(5) participants from non-government institutions** (e.g. private association, private company, tourism organization, community). **Nomination is required to be gender balanced where possible.**

All nominations are to be submitted using the Nomination Form annexed hereto and must be endorsed/approved by the Climate Change Focal Point. Kindly send all nomination forms to the ISPCCR-PCCC Project Team at [ispccr.pccc@gmail.com](mailto:ispccr.pccc@gmail.com), at your earliest convenience, and no later than **Monday 12 August 2024**.

Yours sincerely,

Jope Davetanivalu  
**Officer-In-Charge**
