SUBJECT: Moana Blue Pacific Pavilion Programme of Events at the
UNFCCC COP29 in Baku, Azerbaijan from 11 to 22 November 2024

Bula SPREP Members and Partners,

In the spirit of Pacific Partnership, at the UNFCCC COP29 in Baku, Azerbaijan, SPREP leads the One CROP Mechanism to host the Moana Blue Pacific Pavilion through the generous funding support of New Zealand and Australia. The Pavilion will host an impressive range of Pacific side events to amplify our Pacific voice and showcase Pacific issues, learnings and solutions.

Noting the call for side event applications closed in September, it is our pleasure to present the Moana Blue Pacific Pavilion programme of events as at 18 October 2024. This includes an outline of the events, plus details of the events provided by the respective organisers. The Pavilion will host almost 80 diverse events, predominantly initiated by Pacific island stakeholders including those from government, civil society, research agencies, UN and CROP agencies, and other partners of our Pacific region.

We encourage all our SPREP Members and Partners to share this programme wide and far, as well as invite interested stakeholders to attend these diverse events and help amplify our Pacific voice! For any further information you may reach out to the Moana Blue Pacific Pavilion team via COP29@sprep.org. You may also access our side event schedule at: <https://www.sprep.org/sites/default/files/documents/2024-10/Moana%20Blue%20Pacific%20Pavilion%20Programme%20Version%2018%20October%202024.pdf>

SPREP as the Chair of the One CROP team look forward to meeting you all in Baku and supporting our Pacific delegates to achieve successful outcomes for our Blue Pacific. #1pt5toStayAlive!

Vinaka,
