**SUBJECT:** Commencement of SPREP Strategic Plan Development

Dear SPREP Members and Partners,

At the Fourth SPREP Executive Board Meeting, September 2024, Members endorsed a proposed approach, process, timeline and indicative budget for preparing the next SPREP Strategic Plan.

The Secretariat has commenced this planning process, under the leadership of the Secretariat's Senior Leadership Team and with facilitation and coordination by the Strategic Planning, Partnerships and Resource Mobilisation Department (SPPR-D).

Preparation of the Strategic Plan 2027–2036 will follow a two-phase process:

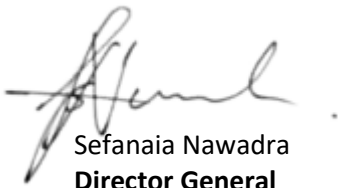

- a. Phase 1, Strategic Plan stocktake and scanning, September 2024 to April 2025; and
- b. Phase 2, Strategic Plan formulation, April 2025 to June 2026.

The next Strategic Plan will guide SPREP's future work programmes in delivering and reporting on positive impacts for the Pacific environment and Pacific resilience. We welcome the support and involvement of all Members and Partners as we undertake our planning process.

For further information please contact Mr Maikali Nawaqaliva, Director SPPR-D, [maikalin@sprep.org](mailto:maikalin@sprep.org) or Ms Melanie Bradley, Strategic Planning Adviser, [melanieb@sprep.org](mailto:melanieb@sprep.org).

Thank you for your continued contribution to the work of SPREP.

Yours sincerely,

Sefanaia Nawadra  
**Director General**
