Subject: Request for tenders: Technical Assistance to develop the Government of Niue's Environmental and Social Safeguards Management System

Question 1:

Can I clarify the USD budget for this project please?

Response:

Consultancy fees have been budgeted between USD 600 and USD 750 per day.

Question 2:

I would like to clarify if a team of two consultants could be put forward for this position (with shared responsibilities across the key deliverables), or if this tender is intended for a sole consultant?

Response:

The consultant will be awarded to a single consultant. The consultant may sub-contract a second consultant as part of their methodology to deliver the outputs required.
