Subject: Request for tenders: Navua Catchment Ecosystem-based Adaptation Ridge to Reef Native Forest Community Nurseries, READVERTISEMENT.

Question 1:

Will ground truthing cover specific sites within each island or the whole islands of Beqa and Yanuca?

Response:

Specific sites within each island.

Question 2:

What specific priorities are referred to in this activity: Conduct community consultations using GEDSI sensitive approaches on Beqa and Yanuca islands to determine priorities for tree planting? Is it soil quality, tree species (technical) or communal priorities + others? Please specify

Response:

Sites, species and community priorities
