Q1. The US\$70 000.00, is that for the fees alone or would that include the activities such as Travel to workshops, organising workshops, field travels, etc..?"

Response:

The US \$70,000 is inclusive of all costs for the consultant. As outlined in the Terms of Reference, the consultant is to be based full time in Port Moresby at the CEPA Office, so there is no travel (field or otherwise) costs budgeted for the consultant.
