Subject: Request for tenders: Pacific Regional Invasive Species Management Support Service (PRISMSS) Adaptation Fund Concept note development.

Question 1:

Will the project include just Samoa or eventually other countries?

Response:

The project is expected to include two countries and a regional component. We don't have any confirmed countries as we would like the project concept to present to countries and seek their endorsement.

Question 2:

Do you have any other information on the project idea, in addition to those included in the tender documentation?

Response:

No, the project will aim to support invasive species management operations. Additional detail to activities will be achieved through consultation with PRISMSS, SPREP, PRISMSS Partners and SPREP members.

Question 3:

What is the available budget?

Response:

We are seeking the best value for money offer.
