SPREP will circulate Tenderer questions and SPREP's response to those questions to all other Tenderers using the SPREP Tenders page (<https://www.sprep.org/tenders>) without disclosing the source of the questions or revealing any confidential information of a Tenderer.
- d. Tenderers should identify in their question what, if any, information in the question the Tenderer considers is confidential.
- e. If a Tenderer believes they have found a discrepancy, error, ambiguity, inconsistency or omission in this RFT or any other information given or made available by SPREP, the Tenderer should promptly notify the Procurement Officer setting out the error in sufficient detail so that SPREP may take the corrective action, if any, it considers appropriate.

6. Evaluation criteria

- 6.1. SPREP will select a preferred consultant on the basis of SPREP's evaluation of the extent to which the documentation demonstrates that the tenderer offers the best value for money, and that the tender satisfies the following criteria:
- 6.2. A proposal will be rejected if it fails to achieve 70% or more in the technical criteria and its accompanying financial proposal shall not be evaluated.

I. Technical Score – 80%

Criteria	Detail	Weighting
----------	--------	-----------

Experience	Tertiary qualifications in a field relevant to the Scope of Work (e.g., project management, finance/financial management, economics, business, development studies); Composition of the team including their role and experience (noting the minimum requirements of the team as outlined in Section 6 of TOR).	5
	Demonstrated expertise and strong experience in accessing climate finance under the relevant funds for both Mitigation and Adaptation projects;	15
	Direct experience with/strong understanding of requirements and processes of sources of climate financing, in particular Green Climate Fund (GCF), Adaptation Fund (AF) and the Global Environment Facility (GEF);	15
	Good understanding of regional/CROP agencies with experience in the Pacific islands and its unique context for project implementation;	15
	Good understanding and knowledge of SPREP.	5
	Excellent interpersonal, communication and writing skills in English.	10
Technical Proposal / Methodology	Proposed methodology and workplan to undertake the tasks outlined in these terms of reference, including timelines to complete the deliverables.	15

II. Financial Score – 20%

The following formula shall be used to calculate the financial score for ONLY the proposals which score 70% or more in the technical criteria:

$$\text{Financial Score} = a \times \frac{b}{c}$$

Where:

a = maximum number of points allocated for the Financial Score

b = Lowest bid amount

c = Total bidding amount of the proposal

7. Variation or Termination of the Request for Tender

- 7.1 a. SPREP may amend, suspend or terminate the RFT process at any time.
- b. In the event that SPREP amends the RFT or the conditions of tender, it will inform potential Tenderers using the SPREP Tenders page (<https://www.sprep.org/tenders>).
- c. Tenderers are responsible to regularly check the SPREP website Tenders page for any updates and downloading the relevant RFT documentation and addendum for the RFT if it is interested in providing a Tender Response.
- d. If SPREP determines that none of the Tenders submitted represents value for money, that it is otherwise in the public interest or SPREP's interest to do so, SPREP may terminate this RFT process at any time. In such cases SPREP will cancel the tender, issue a cancellation notice and inform unsuccessful bidders accordingly.

8. Deadline

- 8.1. **The due date for submission of the tender is: 18 October 2024, midnight (Apia, Samoa local time).**
- 8.2. Late submissions will be returned unopened to the sender.

Note: Submissions made to the incorrect portal will not be considered by SPREP. If SPREP is made aware of the error in submission prior to the deadline, the applicant will be advised to resubmit their application to the correct portal. However, if SPREP is not made aware of the error in submission until after the deadline, then the application is considered late and will be returned unopened to the sender.

SPREP reserves the right to reject any or all tenders and the lowest or any tender will not necessarily be accepted.

SPREP reserves the right to enter into negotiation with respect to one or more proposals prior to the award of a contract, split an award/awards and to consider localised award/awards between any proposers in any combination, as it may deem appropriate without prior written acceptance of the proposers.

A binding contract is in effect, once signed by both SPREP and the successful tenderer. Any contractual discussion/work carried out/goods supplied prior to a contract being signed does not constitute a binding contract.

For any complaints regarding the Secretariat's tenders please refer to the Complaints section on the SPREP website <http://www.sprep.org/accountability/complaints>

Annex A: Terms of Reference

PRISMSS Adaptation Fund Concept note development.

1. Context

The Pacific Regional Invasive Species Management Support Service (PRISMSS) was established in 2019 to support and scale up on-the-ground invasive species management in the Pacific.

PRISMSS is a partnership between SPREP, Wellington University, SPC, Island Conservation, Birdlife International, Manaaki Whenua Landcare Research and New Zealand's Department of Conservation. The PRISMSS Partners are responsible for their respective regional programmes. The five regional programmes are:

-  **Protect Our Islands**
"National and inter-island biosecurity and EDRR"
2.
-  **Predator Free Pacific**
"Removal of invasive mammalian predators from Islands"
3.
-  **War On Weeds**
"Management of high priority weeds"
4.
-  **Natural Enemies - Natural Solutions**
"Biological control of widespread weeds"
5.
-  **Resilient Ecosystems - Resilient Communities**
"Priority area ecological restoration"

To achieve the successful scaling up of operations SPREP's invasive species team wishes to submit a proposal to the Adaptation Fund to secure a regional programme. This programme will cover two countries that express interest in participating and where invasive species management is considered to be at an adequate level of capacity and awareness to engage in larger scale operations.

2. Objective

SPREP's invasive species team wishes to develop a Regular Adaptation Fund Programme proposal up to USD 14M. To achieve this SPREP's invasive species team wishes to identify a consortium to lead the Adaptation Fund Concept note development.

3. Scope of work

The consultant will work closely with SPREP's invasive species team, relevant SPREP units, PRISMSS Partners, experts and SPREP focal points and will be responsible for the following task:

3.1. Desktop review:

- Review of existing Invasive Species strategies, frameworks and guidelines to inform proposal development.

3.2. Project scope definition

- In consultation with SPREP member countries, the PRISMSS team and PRISMSS partners identify the scope of the proposed project.

3.3. Key stakeholder consultations

3.3.1. Lead Consultations with:

- SPREP's PRISMSS team
- PRISMSS Protect Our Islands Technical lead
- PRISMSS Predator Free Pacific FP Technical lead
- PRISMSS War On Weeds Technical lead
- PRISMSS Natural Enemies – Natural Solutions Technical lead
- PRISMSS Resilient Ecosystems Resilient Communities Technical lead
- Country stakeholders

3.4. Environmental and Social Safeguards (ESS) Screening

- ESS screening to be completed in line with AF requirements.

3.5. Develop an Adaptation Fund concept note

The proposal will :

- Clearly present the adaptation challenge to be addressed, including the climate change rationale for each PRISMSS programme.
- Present the objective(s) the programme will deliver, how, when and by whom
- Clearly present baselines, milestones, targets and indicators
- Management needs will be detailed as required for the proposed programme

Proposal will follow the structure provided in the guidance note Annex 1;

4. PRISMSS meeting

The lead consultant or relevant team member will attend the PRISMSS meeting held in Lincoln, New Zealand, from 10-14 November 2024. During the meeting they will facilitate a session providing PRISMSS Partners will an update on the concept development. Furthermore, they will work with Partners to develop climate rationales for their respective programmes.

5. Reporting

The lead consultant will report to the PRISMSS Manager. The consultancy deliverables will be reviewed by the Invasive Species Advisor and the relevant advisory level within SPREP's Climate Change and Strategic Partnerships, Donor Relations and Resource Mobilisation programmes.

6. Qualifications:

The team should be comprised of, at minimum:

- Team leader: Project developer with expertise in GCF and AF project development
- ESS Technical Assistant: complete ESS screening and assess potential environmental impact

The team must have:

- Demonstrated expertise and strong experience in accessing climate finance under the relevant funds for both Mitigation and Adaptation projects.
- Direct experience with/strong understanding of requirements and processes of sources of climate financing, in particular Green Climate Fund (GCF), Adaptation Fund (AF) and the Global Environment Facility (GEF);
- Good understanding of regional/CROP agencies with experience in the Pacific islands and its unique context for project implementation;
